To help sustain our organization and allow us to continue to give away 100% of our membership funds, Impact 100 welcomes support from non-member supporters who contribute toward administrative and overhead costs.

While we gratefully accept administrative contributions in any amount, supporters who make a gift of \$1,000 or more receive the special designation of “Friends of Impact” and are offered several privileges.

- Name of organization on our website in “Friends” category
- Listing in Annual Meeting program
- Permission to use Impact 100 logo on their website – wording such as “Proud Supporter of Impact 100”
- Mention of their contribution in one newsletter or e-blast to all Impact members
- Hand-written thank you note
- Mention in remarks delivered by Impact 100 President at Annual Meeting
- At year-end, copies of communications mentioning their name will be sent to each Friend (with an invitation to continue being a Friend contributor).
- Option to become an event sponsor if and as openings occur.

All privileges will expire annually unless renewed by an additional contribution.
