HOST A MEMBERSHIP GATHERING

2017 GRANT YEAR COMMITTEE OPPORTUNITIES

GRANTS COMMITTEE AND FOCUS AREA COMMITTEES: Committee volunteers are divided into teams representing our five focus areas. Through an on-line process, each focus area team reads and thoughtfully reviews, scores and ranks the initial grant applications from the interested nonprofits. Each team meets to discuss which nonprofit finalists will advance to full grant applications and receive a site visit. Finally, the teams convene to select the nonprofit organization that will represent their category at the Grand Award Celebration. Volunteers will be offered training and instruction on the complete grant process, will gain increased awareness of community needs and greater appreciation of the work of nonprofits striving to meet those needs. Meetings and committee activities run from November through March (with minimal work required in December), and with January and February being the busiest.

GRANTS COMPLIANCE COMMITTEE: The role of this committee is to work with current Grant Recipients to ensure the terms of their contracts are being met. Meetings will be in November and April, to review the interim reports filed by the nonprofits, and as needed.

GRANTS FOLLOW UP COMMITTEE: This committee will be in contact with all of our current, and recent past Grant Recipients for updates on their programs that we can share with our membership. This committee will work closely with Internal Communications, Social Media and Marketing Committees to keep our members, nonprofits and the public informed of the results of our grants.

MEMBERSHIP COMMITTEE: The role of this committee is to help grow our membership. Main tasks are helping with recruitment of new members and retention of current members. Committee members correspond with new and former members as well as help mentor new members. They also assist in planning Membership gatherings with the volunteer hostesses and organize handout materials for these events. Meetings are limited with most of the work done by email or at events.

SPECIAL EVENTS COMMITTEE: Responsibilities include the planning and execution of a Fall Kick-off and/or other events as needed. Events may include educational events with speakers, workshops or forums. Meetings are limited with most of the activity occurring around the dates of events.

INTERNAL COMMUNICATIONS COMMITTEE: Maintain communication with current members through mailings (including thank you notes and pledge reminders.) Report to our members and the community about the achievements of our grant recipients, educational offerings and other events via the Impact 100 Newsflash/Newsletter. Media skills, writing experience, taking pictures are needed.

WEBMASTER/ SOCIAL MEDIA: Role of this committee is to keep our website up to date and help spread the word of our achievements through the use of social media and online technology. Meetings are limited with much of the activities coordinated through email.

MARKETING: Publicizing Impact 100 PBC through local media channels. Media skills, writing experience, and liaisons with the media are needed. Meetings are limited with most of the work performed by email or at Impact events.

GRAND AWARDS CEREMONY: Committee is responsible for planning and executing all details for the Grand Awards event including securing a location, food & beverage, invitations, agenda, method of voting, the awards presentation and all other activities to ensure a successful and remarkable event. Meetings are limited with most of the activity occurring around the April event.

OTHER TALENTS: If you have office skills, financial expertise, or a knack for technology let us know and we will find the right placement for you. Time commitment is as needed.
